Article V

The government of this organization shall be vested in a Board of Control to be constituted as follows: Two representatives from each participating Sunday School, to be elected or appointed on the first Wednesday in March of each year, or as soon thereafter as possible, said representatives to be members of the Board of Control until their successors are elected or appointed.

Article VI

Amendments to this Constitution may be made at any meeting of the Board of Control, a copy of the proposed amendment having been given to each member of the Board at least three days previous to the meeting at which the amendment is to be submitted.

PLAN

1. It shall be the duty of the official representatives from each participating Sunday School to organize a Base Ball team in their respective schools; to provide proper uniforms and equipment for the team; to arrange suitable grounds on which the scheduled games shall be played; and to see that the rules as formulated by the Board are observed.

2. Each local team shall be organized by the election of Manager and Captain, and, if desired, of a Secretary and Treasurer.

3. A suitable pennant shall be provided by the Association, to be presented to the team having the highest percentage at the close of the season.

RULES

1. To be eligible to play upon any of the teams of this Association, a player must not be over sixteen years of age; must be a regularly enrolled member of the School upon whose team he plays; and must maintain a record of 50 per cent in attendance during the months of the playing season; it being provided, that, should any Sunday School be unable to produce nine eligible players for any particular game a number of ineligible players, not to exceed two, may be substituted if satisfactory to the Manager of the opposing team.

2. On or before the first date of the playing season the Manager of each team shall furnish to the Secretary of the Association a list of his eligible players. If new eligible players are added during the season their names shall at once be filed with the Secretary. If, for any reason, any eligible player becomes ineligible the Secretary of the Association shall be notified.

3. For each scheduled game, the home team shall provide the grounds, balls, umpire, score-keeper, and proper entertainment for the visiting players.

4. At the close of each game, the official score, containing the names of the players on both sides and a complete record of the game, shall be sent to the Secretary of the Association. If ineligible players have been used by mutual agreement this fact and the names of the players must be certified to the Secretary. The official score of each game must be signed by the Managers of the opposing teams.

5. The Secretary of the Association shall satisfy himself that the rules are complied with in all scheduled games, shall keep a permanent record of all games played and of the standing of all the teams, and shall publish in the county papers each week a report of the games played, the standing of the teams, and items of interest to the members of the Association.

6. All games must be played as scheduled, beginning not later than 4 p. m. on the days and at the places specified, unless postponed or changed as to location by mutual agreement of the respective managers or because of weather conditions. The Secretary of the Association shall be informed of every case in which games are postponed or changed as to location and of the date on which postponed games are to be played. The dates of postponed games shall be settled between the managers of the respective teams but in any case must be played not later than two weeks beyond the last date for a scheduled game.

7. Should any team fail to be on

the grounds for a scheduled game the Manager of the team which is present shall notify the Secretary of the Association, claiming the forfeit of the game. The Secretary shall investigate and if it appears that no mutual agreement for postponement has been made and that weather conditions have not prevented the appearance of the delinquent team, he shall declare the game forfeited to the team which was present and shall record the game accordingly.

8. Should both teams fail to appear for a scheduled game without any previous agreement having been made it shall be considered as a postponed game and shall be played at a future date as provided by Rule 6.

9. Each Manager shall have the right to protest any game which he considers has been illegally won by an opposing team. This protest must be made at the time the official record of the game is submitted to the Secretary of the Association. All contested games shall be decided by the Board of Control, and until their decision has been rendered no such game shall be counted by the Secretary in fixing the standing of teams.

10. No admission shall be charged to any game played under the auspices of the Association. If desired, a collection may be taken, which shall go to the Treasurer of the home team.
